TERMINAL DISCLAIMER IN ACCORDANCE
WITH 37 C.F.R. § 1.321(b)

Commissioner for Patents
Washington, D.C. 20231

Honorable Commissioner:

Honeywell International, Inc. is the sole owner of the instant application as well as U.S. Patent No. 6,308,132 B1, which assignments have been duly recorded with the United States Patent and Trademark Office. Accordingly, the owner of the instant application, Honeywell International, Inc., hereby disclaims, except as provided below, the terminal part of the statutory term of any patent granted on the instant application, which would extend it beyond the expiration date of the full statutory term defined in 35 U.S.C. §§ 154-156 and 173, as presently shortened by any terminal disclaimer, of prior U.S. Patent No. 6,308,132 B1. The owner hereby agrees that any patent so granted on the instant application shall be enforceable only for and during such period that it and the prior patent are commonly owned. This agreement runs with

any patent granted on the instant application and is binding upon the grantee, its successors or assigns.

In making the above disclaimer, the owner does not disclaim the terminal part of any patent granted on the instant application that would extend the expiration date of the full statutory term as defined in 35 U.S.C. §§ 154-156 and 173 of the prior patent, as presently shortened by any terminal disclaimer, in the event that it later expires for failure to pay maintenance fee, is held unenforceable, is found invalid by a court of competent jurisdiction, is statutorily disclaimed in whole or terminally disclaimed under 37 C.F.R. § 1.321, has all claims canceled by reexamination certificate, is reissued, or is in any manner terminated prior to the expiration of its full statutory term as presently shortened by any terminal disclaimer.

As Applicant's attorney of record, I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under § 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.

Respectfully submitted,
